

Systematic Theology Chapter 11

God's Eternity

Pages 199-206

1. God's eternity can be defined as...

2. List where the eternity of God is taught and also explain what is being communicated.
 -
 -

3. List all the things in the universe that can make the claim that they have no beginning and no end:

4. What do the following verses teach regarding God's eternity?

Genesis 1:1	
Exodus 3:14	
Job 36:26	
Revelation 1:8	
Revelation 4:8	

5. What is time and when did it begin? Is it too a creature?

6. What do the following verses teach regarding how God sees and views time?

Psalm 90:4	2 Peter 3:8
-------------------	--------------------

7. What does it mean that God sees all time with equal vividness?

8. Does time effect how God sees things? In other words, does God experience a succession of moments?

9. What does it mean that God acts in time? When is this clearly seen in history?

10. How are matter, time, and space connected?

11. Will time exist in the new earth and new heaven? Will there be a succession of moments in the new world? Or will we take on the incommunicable and divine attribute of eternity?

12. What does Jesus mean when He teaches that already now (in this world) Christians have “eternal life”? How will we experience eternal life in the future?

13. Write a prayer in which you praise God for His eternity.
